WELCOME

We want to welcome our visitors to our morning assembly. We are grateful you chose to be with us. Our goal is to make you feel more than welcome, we want to help make you feel a part of our family. We believe the entire Bible is inspired by God (2Timothy 3:16-17). We also believe the Bible records everything a person needs to know to enter and walk in a covenant relationship with God (2Peter 1:3-4). We are interested in you and want to share God's Word and our lives with you. Our prayer is, you will be encouraged to meet the continued challenges in your life. If you are from the area, please consider making Porter your Church Family. If you are passing through, we want to invite you back the next time you are in our area.

Preacher's Ponderings

Who are you?

I once read a cartoon where a boy was talking with his friend. He said, "I like my dad better on Sundays. He's a Christian then." What was this boy observing in his father? Actions speak louder than words. His father behaved one way on Sundays, and another way the rest of the week.

Would the people you encounter on a day-to-day basis be able to tell that you are a Christian? Despite some of our best wishes, who we are during the week represents who we really are. Who you are to your co-workers represents who you really are. Who you are to your family represents who you really are.

So in the words of Paul, I challenge you to "examine yourself to see if you are in the faith." II Cor 13:5

Porter Church Family and Visitors:
The Elders would like to invite you to participate in the following events.

Wednesday Nights

For the next several Wednesday Nights we will be viewing the series: "**The Silencing of God**". It is a very enlightening series that tells how the voice of God's Word has been and continues to be silenced in our country. Everyone needs to be aware of the real truth of how our country was established and the Christian values that were a part of our country's beginning. Please come and view this series.
