Dear Brethren,

Grace and peace in our Lord and Savior Jesus Christ. I pray you are lavishing in His marvelous grace.

I am very appreciative of your trust and continued encouragement through your prayers and financial support in the mission opportunities God has afforded me.

I am sure you are aware of the recent devastating typhoons in the Manila area where we are to work for the next three weeks. Two hundred brethren have lost everything. In addition twenty eight congregation's buildings were damaged or destroyed. This will force us to alter our plans.

Originally we planed to teach in the School at Manila, at Clark Field, preach two campaigns and participate in the Philippine Spiritual Workshop in Manila. As a result of the damage to the facility in Manila we will not teach nor have the workshop there. As I write the other opportunities remain the same. We plan to teach in the school and preach a campaign at Clark Field as well as preach a campaign at a new congregation in San Pablo. Approximately thirty preacher students will work with us in a door knocking effort accompanying both campaigns.

While both campaign opportunities are exciting, the San Pablo opportunity is really exciting. A new convert, a lady doctor, asked her brother Eli to seek help to teach their relatives and expand the growth of the church there. Consequently I have the opportunity to be a part of the requested opportunity. I am continually amazed at the power and work of the Lord to get the gospel to earnest seekers. Hebrews 11:6

Brother Ken Wilke, a co-worker, recently communicated with the brethren regarding our evangelistic opportunities in the area, October 14th- November 2nd. They assured him of their desire to press forward and use the catastrophic event as an opportunity to glorify the Lord.

Please keep my fellow workers, Bob Buchanan, Ken Wilke, and myself, the brethren and these opportunities in your prayers.

Thanks again for your love and support as we work together to take the gospel to the world. I pray I will be worthy of your trust.
