God expects us to \_\_\_\_\_ in our knowledge, specifically towards Him (II Peter 1:5, 3:18).

We seek to grow in knowledge that we may be \_\_\_\_\_ in our labors (II Peter 1:8).

Do you want to stand before God on the Day of Judgment without anyone that you can point to and say, I helped lead them to \_\_\_\_\_?

As Christians we can come to obtain grace, peace, \_\_\_\_\_ and godliness through knowledge (II Peter 1:2-3).

Grounded in love, we may \_\_\_\_\_, that is, come to know, all the fullness of God (Ephesians 3:17-19).

There is some \_\_\_\_\_ knowledge (Phil 3:8-10).

The ultimate goal of Bible study is not to improve your bible knowledge, but to improve your \_\_\_\_\_ with God and Christ.

### How to Grow in Knowledge:

Make knowledge a \_\_\_\_\_ in your life (Matthew 5:6).

Learn from \_\_\_\_\_ (Matthew 11:29).

Learn from other \_\_\_\_\_ (Philippians 4:9).

Take advantage of all \_\_\_\_\_ to grow in knowledge.

Open your bible to \_\_\_\_\_ it yourself (II Timothy 3:14-17).
