A \_\_\_\_\_ is a type of mournful song, usually over one who is deceased.

“Israel is forsaken on her \_\_\_\_\_, with no one to raise her up.”

We have a plea from God to \_\_\_\_\_ to return to Him.

“Seek Me and \_\_\_\_\_.”

The consequences for their \_\_\_\_\_ doings are laid out in verse 11.

God can bring \_\_\_\_\_, even to the strongest and richest of nations.

Israel had resented and \_\_\_\_\_ the prophets.

Because of their sin, it is as though Israel is begging for the Day of \_\_\_\_\_.

God would not heed their \_\_\_\_\_ until they got their act together.

We must take God and His word \_\_\_\_\_.

The law of sowing and \_\_\_\_\_ is still in effect.

We must respect God \_\_\_\_\_ before we express it externally.
