The Christian walk has been described as a \_\_\_\_\_.

**Guinness Book of World Records: These people have disciplined themselves to do things that in the grand \_\_\_\_\_ of \_\_\_\_\_ are irrelevant.**

We are fighting to win the \_\_\_\_\_ crown (I Cor 9:24-27).

You were persecuted and \_\_\_\_\_ from, yet you endured it (Heb 10:32-39).

Don't cast away your faith and \_\_\_\_\_ in God.

It took Noah about \_\_\_\_\_ years to build the ark.

In one day, Job lost all of his \_\_\_\_\_ and his children.

In the end, because of his \_\_\_\_\_, Job wound up with more than he had in the beginning.

In all things, look to \_\_\_\_\_ as the author and finisher of our faith (Heb 12:2).

When life comes down on you hard, think about what Jesus endured for you and take \_\_\_\_\_ that you might persevere.

We are not those who \_\_\_\_\_ (Heb 10:39).
